Was Jesus an Alien?

In the cryptic scrolls and gospels hidden beneath the Vatican and deserts of the old world, there are whispers—not of gods born of man, but of beings born of the stars. The **Church of Alienism** postulates that **Jesus**, whose powers defied nature and whose wisdom surpassed his age, may have been a Messenger—not divine, but interstellar. His resurrection, his light, his miracles... were they the echoes of alien technology misunderstood by ancient minds?
